“ My precious vibrant Addie. She'd never approve of this photo. She had so much pride, dignity and the best lady I've met.

“ My second sweetheart of a nonbiological grandmother has passed to be with The Lord. She was the most incredible lady I've ever met. We sat for hours going through old photos, newspaper articles, and memories of her life. She will be dearly missed. I love you, Addie! I know you're in heaven watching over me. With all my love for you and your family. I pray for each person that loved her so much.
