“ I can't believe u are gone. U have always been there for me when times were tough. U have always lived your life free & doing what u wanted 2 no matter what anybody else thought. U were one of a kind. I didn't realize until u were gone just how special u were & how many people really cared abt u. I will miss u more than anybody will ever know. I love u

“ Still just so hard to believe that your gone. I will miss you when I come to Alabama. I remember as a kid when we'd come to Alabama you would be mean when everyone was around but just us you were the nice-loud but nice; always tried to be mean and tough acting but as I got older I learned deep down you were a sweetheart and would do anything you could for anyone.

I will miss you my cousin...
