“ Always smiling and makes everyone feel loved. Always had a spread of food if you were invited to eat with the family. A servant heart too! She will be missed. Love to the family.

“ Mrs. Baumann was always so nice to me when Valerie and I hung out at her house growing up. She was a great cook and even better baker. We used to steal cookies from the freezer during sleepovers all the time! I was so naive and quite dumb in adult conversations but she never made me feel like it. I loved her sweet little chihuahua Tammy running like crazy all over the house and she just loved her so much. Great memories I will never forget..too many to list. Rest in Peace Mrs. B. You are very loved. All my love to her family.
