December 30, 2018

Robert "Jason" Andrews of Montgomery, Alabama, unexpectedly returned to his heavenly home on December 30, 2018 at the age of 47. His devotion to his family and friends and his firm belief in God supported him in his struggle and ultimately gave him peace.

Jason was blessed with a large and loving family and is survived by his parents, Bill and Ella Andrews; his brother Terry and nephews, Andy, Evan (Nicole), and Cody (Jessica); his sister Kathy Havron (David) and children Wesley Wheeler, Katelyn Bailey (Brindon), and Cloby Havron; and his soulmate Norman Chandler and their cats Ruggie, Fluffy, and Girl.

He is also survived by his special aunt Jo and uncle Bart and several other aunts, cousins, and nieces and nephews.

He was a registered nurse in the bone marrow transplant unit at UAB and cared for and showed great compassion to all those under his care. He also worked in dental claims administration at Iron Dental/TaylorChandler and built an impressive and high quality organization based on patient care.

Jason had a sweet, loving spirit and a heart of gold. He got great joy from helping people and making others happy. He was a masterful decorator, had a true green thumb, and loved to cook. He had a quick wit and humor. He loved his daily devotionals, too.

Jason loved all things Disney and Dolly Parton. He loved to travel and had a special place in his heart for animals.

He will be deeply missed by his friends, family, and all who knew him.

“ Jason was my cousin and best friend. I considered him my brother. He was so special to our family. He was so loving, kind and funny. He will be missed so much. He loved Christmas and always made it so special. He had a positive impact on more people than he could have ever known. The pain and sadness I feel can only be relieved by knowing he is with Jesus Christ, his savior now and his chains are gone... he's been set free. I can take comfort in the fact that I will see him again one day. He may be gone, but he will ever be forgotten. I love you Bah....
