“ Barbara and Family, I am so sorry to hear of Steve's passing. My prayers and hugs are with the family. I will always remember when he wanted to go to the KISS concert and I was going to go with him and Barbara you decided you was going also, Steve and I had more fun watching and laughing at you than we did the concert. Love all of you.

“ I remember before he passed I was trying to get him back in the bed. He grabbed my hand and started to slow dance with me in the living room. He was trying to sign to me but I couldn't understand what he was signing. That is memory I will never forget.
