“ Pappaw, you will always be very deeply loved and missed, I was so very blessed to have you as my father figure for my 23 years of life with you, I want you to know that mammaw is my best friend and I make sure to spend tons of time with her, and to help her as much as I can, and make her the center of my universe, she misses you more than you would ever know, we all miss drinking coffee and eating doughnuts with you in the mornings. You will always own a very big special place in my heart, and I will always be your "Randa" I think about you all the time, and sometimes I can still hear you walk through the hallway to get to the bathroom, I wish I could get to hear one of your jokes at least one more time, you were and always will be the best person in the world to me, I love you so much Pappas! "Your favorite grand-daughter- Miranda?"
