“ Never forget you , Joyce and Mrs Bates growing up on 4 ave. We went to join military, they took you, but you went to Vietnam, I was 4 H. Thank you Alfred for your service. You did call me when you came home to pick you up at Birmingham air port. As we walked down 17th street to the army's check in office, I was running my mouth, car back fired, me still talking, turned to look at you and you were bout 5 ft behind. The Lord got you thru Vietnam, gave Diane and you a beautiful family, children and home. Thank you for your service. I will always remember you in my heart.
