“ Brian, we are so sorry for your loss. I did not personally know your father, but having known you like a brother for so many years my heart aches for you and your family. There is no doubt he was a fine man because he raised a fine man whom I've had the priviledge to call my patner and most of all my brother. Praying for your peace, comfort, and understanding.-Randall

“ To the Burtons: Please accept my condolences. I am a coworker of Barry's, and I know that he holds his parents in such high regard. He often spoke of his dad with great love, respect, and admiration. What a wonderful family! Love, Lydia
