“ *Sonny and I were friends in high school. I did not go to Hueytown, I went to McAdory. I had tried to reach out to him on Facebook Messenger and was told by a friend in Hueytown he had passed last year. To his family I am so sorry for your loss. I hope he found happiness and lived well.*

“ *Somny will most definitely be missed.! But we will always have our great memories that were created with him. Things I learned from Sonny as we were co-workers for a few years, he loved his family dearly, as well as Alabama Football and fishing..... not sure of which order.! He was so proud of each member of his family.He had the best sense of humor and a great knowledge of fishing..He love to kid me about my fishing skills as he would tease me about my go to lure... (spoon)! He may be gone from this earth but Sonny Smitherman will never be forgotten.. To his wonderful family please know that you are in our thoughts and prayers.... love you all Sissy Scott*
