“ Amanda is my sweet stepsister, and I'll always remember her as a sweet and happy little girl who had the most beautiful smile. She's now with her dad, and our dad, as well as her step nephew, Michael Stewart. May you rest with God, Mandy. I love you.

“ Mandy was such a sweet person and had the most beautiful smile. We became sisters when she was about 6 years old and I'll always think of her as sweet little Mandy. May she rest in peace.

“ Amanda was a precious girl who spent a lot of time with me and Dawn during her school years. She was one of the sweetest people you could ever want to be around. We had lots of laughs with her and Buck. We loved Amanda.

Janet I can't even begin to imagine what you are going through. My heart hurts for you and I am praying for you, Scott and Steve. I pray that you will feel God's grace as he carries you through the coming weeks, months and years.
