“ *While I wish I could be there and that I'd been there more I won't be able to make it. Andy was a good man. He raised me and he was the closest thing to a father I've ever known. Every good memory of my childhood has him in it. I wish he could have met his three newest grandbabies because He would have loved them and spoil them Like he did my older two when they were little. He is loved always and will be missed. RIP Daddy Andy*
