

ANGELA "ANGEL" WALLACE SPEER

September 5, 1969 - July 11, 2016

Angela (Angel) Wallace Speer passed away of a broken heart on July 11, 2016, after six years of grieving the loss of her precious son, Preston. Angel also lost her mother Katherine (Kitty) Wallace at a young age, and was soon after embraced by a woman who would grow to love her like her own flesh. Angel is survived by her devoted husband of almost 29 years, Kenneth G. Speer, Jr.; her beautiful daughter, Brittany Speer Scoggins (Kevin); her precious and adored granddaughter Amelia Harper (Millie) Scoggins; her parents, Gene and Connie Wallace; her mother and father-in-law, Rhonda and Kenneth Speer, Sr.; her grandparents, Paul (Mr. Kool) and Sue Matson; her sisters, Dr. Kristie Rankin (Shawn); Wendy Dew (David); Jessica Greene (Jason); brother, Brad Wallace (Monica); sister-in-law, Windy Chancellor (Kenny); brother-in-law, Kevin Speer; and a host of loving aunts, uncles, nieces, nephews, cousins, and friends. Angel was a proud Class of 1987 Midfield Patriot and a talented softball player. She had a fiery spirit and a stubborn streak a mile wide, which made her the strong woman she grew up to be. She also had a big heart that overflowed with love for her husband, children, and granddaughter. While we mourn her loss here on earth, we take comfort in knowing she is reunited with her beloved son. 'Til we meet again, we will hold you close in our hearts. This is not goodbye, but where our paths briefly part. The visitation will be Thursday, July 14, from 10:00 AM until 12:00 PM, at Valley Creek Baptist Church. The funeral service will be at 12:00 PM at the Church. Burial will follow at Valhalla Cemetery.

“ Ang, Omg how I wish I could talk to u one more time. As I drove home from work today I just started crying. My heart is literally in pieces. When u left me a piece of me died too. We were so close and when u hurt I hurt. The bond we had was unexplainable. I just don't really understand this at all. My mind just cannot accept ur gone and I'm not going to see u again. What about when Conner graduates.... I'm gonna need you there. The shellfish part of me is so mad because my best friend is gone. Even tho we had some tough times that didn't mean we stop loving each other. I hope you are not sad and you are singing with the angels and Preston, nanny, mother, and everyone else who left us on this earth. I wish u could send me a sign that ur ok and smiling down on me and all on our family. I so miss our talks and time together. I hope time will help me but for now my heart breaks to talk to you. I love you always. Wen

“ Angel,
I still have lots to say to you.....I love you ang, not only were we sisters but also best friends. All families have ups and down but deep down we have a bond like no other. When u left, a piece of my heart left with you. I know that you are smiling as you get to see Preston again. It makes my heart smile knowing that you are not sad anymore. This is not good bye it's until we talk again. I love you to the moon and back Wen ??

“ Our first best friends are our first cousins. You have always been the cousin I had the most in common with in traits, personality and spunk. I truly will miss everything and will cherish every memory. Our last beach trip, the night I spent on the couch when I was just so broken after Brandons cancer diagnosis, the times I never passed your house without stopping to see if you were there. I find comfort in knowing that you know longer suffer from being separated from Preston. The heartache was just so great and I know how fiercely you love your husband and children. Nobody loves more. deeply Or could hurt as much from the loss because of how deeply you love. Kenneth is your soul mate and I know Britt and he will be comforted by Millie. Oh how she looks just like you. She's so beautiful. I love you more and will miss you always. Save me some space. Watch over us and help me keep my family in tact. I couldn't take it either. We were always so much alike. I'm so proud to be kin to you. I will keep everyone close to my heart and I'll drop in on everyone just like I use to.. Over the past few years with B being sick ..it's been hard keeping up. Cancer sucks .. And although he's sick again with another battle. He promised he would beat. I know you are up there and you will help watch over us. Love you always and until we are all together again .. Save me some space

“ Revelation 21:3-5

And I heard a loud voice from the throne saying, “Look! God’s dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. ‘He will wipe every tear from their eyes. There will be no more death’ or mourning or crying or pain, for the old order of things has passed away.” He who was seated on the throne said, “I am making everything new!” Then he said, “Write this down, for these words are trustworthy and true.”

Although we mourn the sudden loss of our friend Angel here on this side of eternity, for those who are truly in Christ, it is not the end. It’s only see ya later..... So until then, may GOD, the Holy FATHER of us all, bring peace and comfort to all of those who are hurting now. Rest in Jesus, sweet girl. Amen

“ We will miss you Angel Speer. I will miss our fb messages to one another especially about me losing my mom in 2012 and you losing your son. We always knew when that day was coming and always messaged one another to help each other try and cope with them not being here with us. You are now in Heaven with your son whom you have missed since the day he passed. We will miss you here on earth but we know your another angel up above to watch over all of us here! We love and will miss you!!
