“ Marie was such a sweet person. I went to school with her and worked with her at Consumer Foods. We always had a wonderful time together. We ran into each other over the years and we always picked up our friendship just as if we saw each other every day. She was a true friend to me. The last time we saw each other, we reminisced about our times together. She told me how much she loved me and built my ego up with her kind words. I will remember her for ever. She was a beautiful, sweet and uplifting person. I love her dearly. Her sweet soul is dancing in Heaven now. I will miss you, precious Marie.
