“ I am still in shock, it just doesn't feel real to me! I know we will all miss her greatly. I've been been rewinding all the memories from years ago when we all hung out most weekends making our own parties rather than going out! All the summer days of boat riding, Angie, Denise and myself catching rays to get that awesome tan! I wish we could have had so many more of those kind of days! I missed so much when I moved to the coast, we grew apart. But,y'all were always in my heart and she will remain there! Mike, I can't begin to imagine what your feeling other than a deep painful loss. I wish I could take this hurt and loss away for you and the boys and the grandbabies!! love you with all my heart brother and I will always be here for you just as you've always been there for me. I know in my heart you will ALL have a glorious family reunion one day!
