“ *Leland, and Family. So sorry for your loss. Regret that I will be unable to attend services. There was never a dull moment when Lucy was around. Although she was several years my junior, she decided to "adopt" me when I built the house near their property. We shared a lot of good times in the short number of years we knew each other. She will truly be missed Love, Brenda Blackwell*

“ *To Leland and all of Lucy's beautiful family, you all will never know how much I loved Lucy. She was one of the most beautiful people i've ever known both inside and out. A dearer friend i will never have. When Lucy did something for you she never did things half way, it was always 110%. She was so very talented in so many things. I would have to write a novel to tell you all the things that i loved about Lucy and all the special things she did for me. I was so lucky to have had Lucy in my life. It is truly an honor to say i had Lucy as a friend. I love you all. My heart and prayers are with you.*
