“ *Annette was my roommate for 7 months at the foundry Ministries. She was truly a light and a loving spirit. She never had a bad word to say about anyone and was one of the most humble loving giving ladies Ive ever known. God bless you Annette and thank you for all you were and ment to so many people. You free produced the most beautiful friut and it was so obviously who you served without ever speaking it. You glowed with the love of the Lord. You are loved Annette and you will be missed.
