“ My "auntie" was so special. She was my mother's sister and she always treated us like her own. We visited her and Billy and the "girls" during the summer and holidays like Christmas. She was a wonderful lady, taught me alot about life, taking care of your home and family and always having flowers around to brighten your day! This whole family will certainly miss her, but thank the Lord we had her ! I think about her often and how she has blessed us... Love to All...

“ My family moved a lot and frequently came back to Alabama to visit family. My Aunt 'Nette and Uncle Billy & family were always the ones we visited. They were so generous and loving to us. Many trips with them to the Warrior River, gatherings with Aunt 'Nette's fabulous cooking, family gatherings at Grandmother and Granddaddy Moore's home, Moore Memorial, their visit to us when we lived in Pensacola and us kids all slept on the screened porch. So so many loving and fun memories. My Aunt 'Nette was certainly a life well lived. Jeanne Moore Johnston
