“ *What a beautiful women she was. She will be truly missed. She took care of my youngest child (Kimberly) when she was in daycare. I had no worries when Mrs. Pat Pat was with Kimberly. She was an Angel here on earth.*

“ *Aunt Lou 🍷🍷 I have so many memories and no idea where to begin. Birmingham was my favorite place to go as a kid because I spent my entire visit playing with my cousins and being loved on by Aunt Lou. She had the best clothes for playing dress-up. The trampoline was a huge hit!! And we would pile up in the big family station wagon and go to Parisians and The Galleria mall!! The ceramic shop was a treasure of gold to me, and when we were allowed, I always loved picking out what I was going to paint. Thank you, Aunt Lou, for years of memories that I will cherish for my lifetime 🍷🍷🍷*
