

## ANTHONY LEE "DON" YANNETTA

July 4, 1952 - July 4, 2016

Anthony Lee "Don" Yannetta, age 64, of Alabaster, AL, passed away July 4, 2016. Don was a loving husband and a dear friend. To know Don was to love Don. He never met a stranger. He made every room he entered feel warm and welcome. He had a vibrant soul, and this world is less bright since he has left it. His spirit and love will be sorely missed.

He is preceded in death by his mother, Verdi Verona Garrison Yannetta, and his wife's daughter, Taylor Jade Rushing. He leaves behind his wife of 10 years, Misty; numerous cousins; and dear friends he called family, Jean D'Amore, Kathy Rodenberg, and Gregg Sipski.

Family will receive friends Sunday, July 10, 2016, from 1:00 pm until 2:00 pm at The Station Church, 2545 Valleydale Road, Birmingham, AL 35244. The memorial service will follow at 2:30 pm at the church, with Pastor Randy Norris officiating.

In lieu of flowers, please make a donation to The Station Church youth fund or your local animal shelter.

“ I've been putting off signing this because I just don't know what to say. Saying I am sorry for your loss Misty just isn't enough, but words fail me. When you know someone more than half your life it is so difficult to say goodbye. He has been the one person I pick up the phone to call when good things happen or bad things happen. Now I can't. He remains forever my best friend and I miss him immensely. And I know you feel all these things too Misty...hugs.

“ Misty and Don Today's service was beautiful, the perfect blend of who you both are and will continue to be. Randy's sermon was beautiful a true celebration of who Don is, what he represented and how he brought light to the world. As he said today you will be gone but a moment for Don until you see one another again, it will be longer for you here with us, but as we all pledged to love you and keep you today. We will, I will

“ Misty I never had the opportunity to meet Don, I feel that is a big loss for me the way you and others talk about him. I'm so sorry for your loss. I know how much you love him. It was very evident.

“ I am sorry I can't be at the service for you Misty (just too far) but know that we (Tami and I and of course Reesha) are here for you, supporting you in every step you take (both forward and back). We love you for who you are, for being you. We also loved Don for being Don, and will miss his love and support of Reesha in her quest, but she will get there and it will be in honour of Don, her biggest fan. Virtual hugs and lots of love

“ Don, you are more like a brother to me than a friend. We have been friends for decades. I know death is not a penalty. As we had talked about life and life after death. Those that have departed this is mortal plane are not truly gone. They have simply stepped through the door out of sight. I will simply no longer have to pick up the phone to chat. We can now do it anytime. Your not gone for me, you simply have a new address in Heaven. God bless you and all of us who had the honor and privilege to know you. Love you by brother.

“ *There are so many memories I have of Don growing up. He use to be at every thanksgiving and new years eve at my aunt jeanies house. And one year he sat and I believe my aunt dog Samantha favorite spot and she would jump up on him and give me millions of kisses it was so funny. However Don you will be greatly missed by my family. And one day I hope to meet you again on fiddlers green.*

“ Hi Misty. You don't know me, but I'm the owner of SoulJourney, Don's metaphysical store of choice when he lived up here. Very sorry to hear of his passing. He was a good customer and recently told Judika Illes - when she was down there recently - to say hi to me. Sending you Reiki at this most difficult time.
