“ Barbara was a great mentor for me at State Farm. She taught me a lot about SF and about creating beautiful flower arrangements. I know she will be greatly missed by so many. Praying for God's peace and blessings for her family.

“ Barbara was the sweetest lady. I worked with her at State Farm. She was kind, and always willing to share her talents and experience.

“ Barbara Bell, as the youths of Bayview Baptist Church knew her, was our Youth Leader. Barbara was an example to us of how to “let our light shine”, have fun being our age, and guided us in times of distress. Her loving kindness will always be a treasured memory in my soul. I remember the cookouts, bonfires, skating and walking trips through Bayview holding hands with our boyfriend under the watchful eye of Barbara. Thank you sweet lady for all you did for us. I will see you again in heaven. Enjoy your rewards and the jewels in your crown. You did well my good and faithful servant.
