“ *What a wonderful legacy you have in your Mom. I remember her very well as my parents also shared a love of flowers. My Mother Josephine Brown was in the Garden Club with your Mom and they loved each other. You girls have no idea who I am but Speedy knows me and we share in your sadness now that she is gone. I remember your Mom trying to keep pace with "Harry" and his ideas at the ballpark, if it were not for your Mom and Dad there would be alot of us kids in Hueytown that would have never experienced baseball at its best. Your parents gave generously to the community and I remember so many stories that this note will not contain them all. But your Mom to me was the ideal kind, loving, caring, and always making sure we had fun. May the Lord give you peace and comfort during this time.*
