“ Gail & Lisa We are so sorry for the loss of your precious sister Kay. Donna and I heard of her accident during a phone call from our Aunt Nita on Saturday. Kay is now with your parents and ours (Maxine & Glenn Pate) in heaven. Words cannot describe how sad we feel as sisters for you... Unimaginable. Our prayers will be with you as days and months turn into years. Hold on tightly to your precious memories of the days you were able to be together during happier times like when we all played together as children. With Love,

“ I love you and still waiting on you to call and ask if I'm as bored as you? You will no longer be bored and will be watching over us. Miss you already.
