“ Words cannot express the sadness Janet and I feel for each of you as you grieve for Berney. Today, I fondly remember "Junior" back in the days when he and Shirley led our church Training Union group of kids. Berney and Shirley were wonderful role models for us and later in life, we became "brothers" when Louise and my Dad married. The loss is bitter, but in time, I wish for you all the bitterness will be replaced by many fond memories of Berney to sustain you.
