“ I loved talking to MsBetty! I always enjoyed going to her house and bringing her some Biographies to read from our Church Library. She loved to talk about her plants and her grandchildren! I will miss her and the talks we had, but I know she is in a better place and reunited with her husband and her son and is face to face with Jesus now! Prayers for her Family in the coming days—she will be missed!!

“ One of the highlights of our life was when Marilyn and I took her art classes and watched her turn my lifeless paintings into works of art with a few brush strokes. She was always such a delight...such a lover of beauty and humor. She made a lasting impression on our family. Betty will always be remembered with a smile. Her family will be in our prayers. Love to all.
