“ My prayers are with Mrs. Duncan's family. Mrs. Duncan made a great impact on my life with her kindness. She will never be forgotten. She always encouraged me & shared a kind word when others would be so rude to me in the pharmacy line. No matter how long she had to wait in line, she always greeted me with a smile. When she would drive up to the drive thru window, I recognized her by her car. We often laughed about it because I drive the same car, same color. When she told me about her sickness, I was a little sad. She told me "oh, don't be sad. I'm at peace". I dried my eyes because just hearing her say that made me at peace with it also. I will miss her sweet hugs as well as her pretty face. She was a jewel & will be greatly missed. With deepest sympathy. Gwen Lee Cashier
