“ *Best memories listening to Lori playing the piano and me in the kitchen watching you cook greens. Those Bobby shoes you put me in and the dresses you carefully picked out for me for school. Kiss my momma for me. Love you.*

“ *Billie gave of herself to raise her girls. I thank her for how her lovely daughter Lora was raised. She spoiled her and at the same time raised her right. Her adopting her gave her a wonderful life. Wonderful mother and grandmother. For that I will forever be grateful. May she rest in peace.*
