“ I love you my cousin! It never failed that anytime I needed anything at all and dad wasn't nearby, you stepped up and offered to do anything you could for me. I'm grateful we reunited and grew closer in the last couple years. I'm beyond grateful that you were able to meet with a fellow church member of mine to get right with God and bring yourself peace knowing that you'd be sitting at the right hand of the Father when the dreaded time came that he called you on home. I honestly feel like you were waiting on that visit because just a few hours later you went on home with Christ our Savior. I promise to help take care of Aunt Betty anyway I can and also promise to grow closer to Amber and stay close! I cannot wait to see you again someday walking the streets of gold with no limp, no pain in that knee, fully restored and healed by our Father. I'll miss you cousin. May you Rest In Heavenly Peace, Billy. You are loved!

“ I've been friends with Billy all my life. I know the world is a lesser place with you gone. Forever you will hold a special place in my heart. Billy was my friend when I thought I had none. Even after high school we remained friends. Even through young adulthood and children. In my heart you were my brother. I am so thankful I had you in my life and thank you for sharing those beautiful babies. With me. I loved watching them. When they were young. Rest now your work and struggles are over. Until we meet again. My Brother
