“ *Pastor Bobby and Phyllis were two of the finest Christian friends I have ever known. They loved The Lord and it was evident in every aspect of their life. Three of my children graduated from Calvary Christian School. The school was started because of their passion to reach children for Christ, and the school is still on the same mission today. They left a precious legacy in this community for which I will forever be thankful.*

*I pray for comfort at this sad time for April, Eric, Adam and the family. What a blessing it was to have crossed paths with this faithful couple.*

*With much love and sympathy,
