“ I’ve started this message several times and I erase and start over every time because there aren’t words to express what an amazing lady Mrs. Brenda, Granny as my kids called her, truly was. She was inspirational and was someone I looked up to as it was evident that she was a true child of God. I’ll be praying over the family as I can’t imagine losing one of the most incredible people on the planet. My heart is truly broken. May God grant the family peace that only He can provide!!!!

“ *Brenda was first, my room mom when I was fortunate enough to have her children in my classroom. Second she became a friend who I have known and loved now for many years. When she decided to be a substitute teacher, I knew I was leaving my students in capable hands. She was such a devoted mom to her own children, and to the kids she worked with at school. Our community at MES was blessed to have her in our midst.*
