“ Love you cuz. We were certainly blessed to be in this loving bunch. Since you just had to be the first of us first cousins bunch, could I ask you a favor? Would you,Bradley, and Mike make sure them elder Buckner's saves the rest of us some of Aunt Lottie's chicken pot pie? Oh, and maybe a really big table in the shade not too close to the bees? Hope we can keep our white robes clean eating all that barbecue! I know y'all are having a blast, and well, the rest of us ain't all that far behind you. Love to all my beautiful Buckner family!!

“ *I love you, brother and I'm surely gonna miss you! We had lots of fun going to concerts, (and spent lots of money!!), and generally had a good time hanging out and burning stuff on the grill. At least you're able to get around pain free now! I'll see you again!*
