“ I know it hurt you It hurt me too, But now that you're gone All I know is I miss you
You were there for so long, I never thought you would leave. I though you had another year Waiting up your sleeve.
The day that you left Was the saddest of my life. I remember sitting at home And crying all day and night.
I might be selfish But I wish you were here. Or if you stayed For one more year.
I know you loved me And I still love you too. So I'm trying to be strong Just for you.
I know I'm not perfect. I know I'll never be. I just hope you're up there And that you're proud of me.
You had to let go Even though you were holding on for so long But there's not a day I don't think of you, And how you were so strong.
I just want to tell you That you're always in my heart. Even though I still cry I know we're not apart. I miss and love you forever and always, Love Cassandra and family
