“ I met Drenda when I went to work at Dexter Fortson Asso. We became close friends and allies. After leaving the job and moving out of Hueytown myself we didn't see each other much but kept up with each other. I was devastated to hear of her sickness and even more so to lose her. She was the sweetest, nicest most caring person I have had the pleasure of knowing. She was a wonderful granddaughter and daughter who cared for both her grandmother and mother when they were ill and who would do no less for a friend. She will be truly missed here but welcomed home in Heaven.

“ *To Drenda's family: Our hearts are saddened....we will all remember her as the angel here on earth who was adamant to "show" Christ in her daily walk. Her smile was the glow of salvation and her presence was that of a Christian servant. She has served her family, friends, church family and Him with much love, sincerity and dedication throughout her life. Now, we all need to prepare to see her again in the after life...if we have accepted our Lord as our Saviour. Rest Drenda until we meet again...much love Monique & Kelvin Weeden*
