“ I had never met such a sweet spirit, as I did when I met Cari. She was there just about every day as I would come through, And she would always make my day brighter. I know that there is a wonderful celebration going on in heaven and I pray that one day I will see her again. One day we will get that kayak in the water and it will be on the most beautiful water ever. Till we meet again my friend.

“ We first met Cari and her family when they lived about 1_2 mile from us and we owned a catfish pond. They would all come over and have the best time with our girls. My prayers are with the family. One of our daughters passed away last year at 22 years old. Trust God, seek His peace. Our family will be in family for yours. Randy and Carla Skinner
