“ I have so many memories to share about Carla when we were kids but the biggest one I will share is every year Aunt Evelyn, Carla and myself would watch the Miss America Beauty Contest. We would have so much fun a big bowl of popcorn and Pepsi cola drinks watching the show we would each pick out our contestants of course Miss Alabama would be our first choice and if she didn't make it then we would pick other ones oh how we would laugh and have a great time. I'll always think of you as my little cuz and I'll even shout out War Eagle for you and wish you a Happy Birthday on 12/8 you will always be in my heart and soul R.I.P. little cuz. Your forever cuz Linda

“ Loved gathering at their family home after church on Sunday evenings - never had so much fun or laughed so hard in my life than these times—especially when “someone” got the words “fuss” and “ruckus” badly tangled up! I will always carry precious memories of a very kind, patient and caring friendship with My sister-in-Christ

“ Carla and I grew up together in Ensley. Her mother cut mine and my mothers hair for many years. We cheered together at Ensley Park. Years later we moved into the same neighborhood in Hueytown. She was the first one to welcome us to the neighborhood. Walter, Carla, Mike and myself went to many great concerts and dinners. I will miss the morning cups of coffee and the conversation with my dear friend. Miss you already 😞
