“ Carly was my best friend growing up. I don't have many memories from our high school and middle school days that don't have her in them. We always loved to see what "bakery" creations we could come up with which always involved destroying the kitchen. She was an amazing friend! She will truly be missed. She touched so many lives. My heart goes out to her family, I can't imagine the hurt you all feel, I know how heart broken I am and can only pray that in the days and months to come you all find peace and comfort. Carly... I love you and will miss seeing you're beautiful smile. Buddies Forever... Fly High with the Angels, GOD truly has the best with you. All my love and prayers go out to yiur loving family. Khrista
