“ Our Aunt Carol was a true gem. A southern lady with such grace! Her hospitality was amazing! The table would be set with the finest China and the room packed with kids and cousins! Delicious food in abundance! She and Don were always there whenever we had a crisis. Ready to help and give bountifully. She loved God and her family. She will be greatly missed but is now at peace and safe in the arms of Jesus.

“ She is my 2nd cousin and lived a stone throw down below us with all her other sisters. She was a delightful little girl and loved to play with all her cousins. Her radiant smile and welcoming personality was always present. I am so happy that she had prepared for this final life here by being faithful until death. We going to miss her every day but we have the assurance by Christ himself that we will all rise again. Carol we have always loved you so go now and be with God. ❤️🙏📖🎵🏠🏛️
