“ *My dear sister you have thought me to appreciate the blessings I have been given in life. You always accepted everyone with open arms and was truly an inspiration in so many ways. You were loving and forgiving. I will miss your hugs and smiles and will always be grateful for having the opportunity to share a part of your life. I remember that you could kick my butt when i was little if i got out of line. And I know that I certainly deserved it sometimes. I learned my lesson all too well one day and I have the scar on my head and backside to prove it. I'm sorry for anything i did to ever hurt you. I have always loved you and I always will. You were the glue that held our family together. Rest in peace sweet angel. I am so thankful God loaned you to me. Sweet dreams Cacky*
