“ Words cannot express the sadness I feel for you during this difficult time. When Chad was very young he caught a fish at our river place. It jumped out of the bucket & rolled back into the water. He was proud of that little fish. I will be praying for you.

“ Barbara and Gary,
No words can bring comfort for your unspeakable loss. Belief that you will rejoice with him again will hopefully bring you peace during this difficult time. Please know you are in my heart and prayers.
