“ *Known Charlie since I was 11 years old. His sister Carol married my brother Eddie Hyde.*

*Charlie and I were the candle lighters in the wedding ceremony . We both wore white tuxes and looked pretty sharp for a couple of 13 year olds.*

*Remember Charlie joining the AIR FORCE right out of High School and proudly serving his country. Saw him at many family gatherings and always found him to be a quiet, unassuming, gentle person.*

*I am so sorry for all of the illness he went through. Most of all, I am thankful he is now with a God who loves him beyond all understanding. He is with so many family members who have gone on ahead. May God bless you richly for all eternity.*

*Tell my brother Eddie and my Parents how much I miss them!*

*Charlie, I know I will see you again in Heaven, until then, enjoy the presence of God and being reunited with your wife.*

*Jeff Hyde*

“ I grew up a nephew to Uncle Charlie and as a child remembered him as a quiet man who enjoyed reading on Grannie's porch while smoking a cigarette. It wasn't until years later in high school when I was blessed with the opportunity to work with " Charlie" as he told me to call him there at our hometown grocery store. I spent a believe 3 years working there with him and enjoyed building such a great friendship. He loved to talk to the people who came in and they enjoyed talking to him. I got to enjoy many stories, jokes and life lessons working with him. From just an everyday hello to a customer to a special smile Charlie would give to a lady friend of his, I got share and be part of his life during those years and was very happy to see him live his life. I am happy that the pain is over for Charlie and he can celebrate eternal life pain free but I continue to pray for those who are still hurting from this huge loss!
