“ *Mr. Hulgán meant a lot to me. He not only taught me music , but he helped me build self esteem. . He always cared about others. He was a God fearing man. He showed it in the way he lived every day. May he rest in peace, and may his family and friends be comforted knowing he is playing and singing to our heavenly father*

“ Mr. Hulkan was my first band director, but he was much more. Yes, he came to North Highlands and told me I was going to be a trumpet player. Yes, he taught me so much about music at Pittman. Yes, he prepared me for the high school band and then onto The Million Dollar Band at the University of Alabama. But, he was more than a teacher to me. At 14 and between ending middle school and starting high school, my dad passed away. Mr. Hulkan was the first and only "teacher" to come to my house to comfort my mom and myself. Not only did he come to my house, he was there before my mom and myself were back from the hospital. For this, he will always hold a special place in my heart.  
We all have losed a dear, dear person, but heaven sure has gained a trully great musician and man.
