“ *I have so many good memories with Pappy Charlie. Fishing, coon hunting, deer hunting and watching many westerns at his house. He always made me feel loved and apart of his family. He was a great pappy to all of his grandsons. He always called me Rachel or Molly or whatever girl named he could remember at the time. Lol! I can't think of one bad thing to say about him..he will always be missed ...RIP..love you forever and always*
