“ To Mrs. Mary and all of Bro. Sunday's family. I just wanted to say that Bro. Sunday was one of the kindest and most loving and caring men I have every known. He was with me on the saddest day of my life to date, the day my Daddy, Luther Parsons, went to be with their Lord and Savior, and I know they are celebrating and rejoicing together today. Bro. Sunday was such a comforting person to all of our family during Daddy's illness and beyond. He was so kind and good to visit Daddy in the assisted living home, and then when he was in the nursing home, and calls and visits with my Mother as well. My Daddy was much like him, and to say I put him in the same category as I do my earthly Father, is truly a complement! Bro. Sunday touched my life and my family in a way that will never be forgotten. Mother and I have been praying for him ever since his accident, but we know God had his ultimate healing ready for him. You all are in my thoughts and prayers. God bless you and lifting you all up during the coming days. Mollie Peoples

“ Of all the people I've known and loved, I'm positive that he was met at the pearly gates by Jesus who said "Well done my good and faithful servant". Because he was that kind of man. I will miss his smile and wonderful sense of humor.
