“ Mom, best friend, and my hero. Mom was one of a kind. She made you laugh and cry. She fought her battles and won. She raised three kids on her own while working three jobs but still had time to be there for use. She always had her door open for those who needed someone to talk to or a shoulder to cry on.

Mom I miss you so much and love you bunches. I know your not hurting anymore and with those we lost. You will always be in my heart. Jeff, Wendy, and I will have a guardian angel watching over us.

“ *I first met Charlotte in Roswell Georgia. Her daughter Tina, friend Tom and I went to Cheers for drinks and a few games of pool. That became a regular thing. Charlotte transferred to BHam, with Publix we all followed. It was some of the best times in my life. Charlotte always had a gentleness and laughter to her. After I left BHAM I lost contact except through FB. She will surely be missed. Hugs momma, know you mean a lot to many of us and you'll be missed greatly. ♥♥♥♥ you bunches beautiful.*

“Charlotte was my high school friend & I hung out at her house a good bit. Jimmy you were just a little pest back in those days but she loved you anyway. We got together for the first time since high school last year. I spent the day with her & she ordered in Pizza. Tina I think you delivered it & it was good to meet you. We tried to catch up in one day. She so much wanted to come visit me here at the lake but her health just wouldn't let that happen. We talked on the phone & tried to work out another visit. I'm sad it didn't happen. My prayers are with the family. So very sorry not to make the service but will be on a church trip that day. God bless you all.

“Charlotte was the most caring person to know and work with. She did a majority of my training when I came to Birmingham. She not only invited me to her wedding and reception but had me follow them to her house. What a special lady who will be deeply missed.

“ You will be missed Charlotte! I'm the person who introduced my dad Joseph Musolino to Charlotte. Charlotte was my administrative coordinator at Publix when I was the Store Manager at the Pelham location. Charlotte then became my stepmom 14 years ago. Charlotte would always make me laugh with her sense of humor. She always had candy at her house to share with anyone that came over to visit. Charlotte loved her family very much! Charlotte was a pet lover and enjoyed her cats, dogs, and birds. May you Rest In Peace with the Lord. We loved you very much!

Our Very Best,
Michael & Daneen Musolino
