“ Tammy, I am so sorry to hear about your Mom. She was a great person and I loved her dearly for many, many years. She loved her children and grandchildren and they were her greatest prides and joys. We are not going to be able to make it to the funeral home for the service because we keep our granddaughter in Pelham. We go there to keep her. I know your Mom would understand and I hope you can feel my presence in your heart and feel my love for all of you. I will be praying for your comfort in the days to come.
