“ I remember hearing *The Dotsons* when I lived in Alabama in the early years of this century. I just came across this notice about her beautiful life. May all who love her know the Peace that passes all Understanding.

“ We just heard of Christine's death about a week ago. my mother, Wanda used to play piano for the Dotsons many years ago, and that is how my sister, Hollie and I started singing, with this group. Christine was such a kind and considerate lady and we loved her very very much. We spent a lot of time with the family, traveling and singing. To Archie, Chrysta and Alicia, I am so sorry for your loss. Heaven has a new Angel in their choir and I assure you she is one of the leading voices. God Bless You. Wanda, Cindy and Hollie

“ It's still so hard to comprehend that we won't be hearing Aunt Christine's sweet voice and laugh. What a void she has left in our lives! but God loved her too much to let her suffer anymore. My prayers are with you, Uncle Archie, and with you, Chrysta and Alicia and your families. May God bless and comfort you. I loved her so much.
