“ Dear Headrick Family,

I loved Christine so much. My favorite memories were being able to hang out with her and go shopping. She introduced me to CCR and when I hear them I think of her. I will miss her wit and energy but not the cheek pinching.

*Sending all my love and prayers,
Alisha D. Needs and Family (Rich, Cody and Joe)*

Christine was a part of our family life for many years, as we grew older living so far apart. Could not spend those wonderful times together. You were one of my greatest friends Tina, and looking forward to seeing you again in Heaven
