“ Jessie ,
Although I did not know your dad, I do know what it is like to lose a dad. My heart goes out to you. Reach to the Lord for strength as you go through this time of loss and grief. He will give you the greatest comfort of all. Love you and Tabby and Eddie

“ I miss you already Daddy, I always will! You were always there when I needed you. It was an honor being able to be there for you instead these past couple of years. Going to Walmart won't be the same without you! Your were a great father to me and a wonderful grandfather to Tabby! We'll both always remember all the fun times we had living with you! I'm so grateful for those times now and how close you and Tabby became. They say everything happens for a reason so I guess this did to. I'm thankful we always said "I Love You" as I'd leave so neither of us had any doubts ! I'll never stop, until we meet again I'll continue to celebrate my Dad just like you said to do!
