

## CURTIS JONES III

July 28, 2022

Curtis Jones III, age 64, of Hueytown passed away Thursday July 28th at home. Curt graduated from Hueytown high school in 1976. After graduation, he attended Bessemer Technical College and worked as a construction superintendent for 42 years until his retirement in 2016. Curt was most proud of leading crews in building the UAB's Eye Foundation and Children's South Hospital. Curt loved hunting, auburn football, his girls, grand kids, and his dog Shay. He was the best cook who took his recipes to the grave as we were not allowed in his kitchen. We all know he is enjoying his deer stand up in Heaven.

Curt was preceded in death by his parents Shirley and Curtis Jones Jr, son in law Matthew Franklin, and grand son Skylar. Curt leaves behind to celebrate his life- his wife of 44 years, Tammy Jones, Daughters-Jennifer Jones, Jessica Simmons (Derek), and Rachel Latta (Justin), Grandsons- Jacob and William Latta. His brother Carey Jones (Sabrina), his sisters Vickie Taylor (Jimmy) and Kristy Glassford (Todd), and a host of nieces, nephews, aunt and uncles.

Visitation to be held Wednesday, August 3rd from 1-2pm at Peoples Chapel. Funeral service will be at 2pm. Burial to follow at Valley Creek Cemetery. Officiating Greg Traweek.

“ I had the honor of working with Curt at Children's Hospital over many decades as he led innumerable construction and renovation projects both on the main campus as well as Children's South. Curt worked tirelessly to make sure every detail of our facility effort was the very best for our little patients and their families. There was never any request too big when it came to what was best for the children. He led with his heart and was never afraid of working hard. My prayers to Curt's family as I know he will leave a void in your lives but a knowledge of his love that will sustain you for the rest of time.

*Rest in peace Curt! A life well lived!*

“ *Thank you all who have reached out for the lost of my father. My family are so upset over this sudden lost but my dad was never a stranger to getting things done. We as a family have been working hard to make sure everything is done for his proper burial. As the months go, we need all the prayers we can get to find peace in all of this. Thank you all.*
