“ Just learned of David's death. So shocking and tragic! David has been my personal trainer since February. He's worked with me every Wednesday since. Such an awesome guy! Always relaxed and in a positive mood, never failed to make me laugh! I always fussed at him for saying "Yes ma'am" to me because I'm only 13 years his senior. He tried to stop, but being respectful was just in his blood. His work ethic was incredibly inspiring too. Pushed me to go the extra mile. David told me once that one of his dreams was to be a professional football player. I hope his team in heaven knows what a gem he is.
God bless, Sarah

“ You were always such a good person David. I was so proud of the man you became, your sister Stef was too. We would talk about how great of a man you became and how proud she was of you. Thinking of you all and the days to come.

“ Dear Family,
Please accept my condolences on your loss. We are all affected by this terrible enemy, Death, but we do have the Bible's assurance that death will be completely abolished and our dear loved ones will be reunited with us here on a cleansed Paradise earth. (1 Corinthians 15:26; Revelation 21:4; John 5:28,29) May you find much comfort, strength and hope from these marvelous promises from God.
