“ I am a 1968 Golden Gopher , also a retired South central Bell, Bellsouth , and finally Att retiree. I do not know if I ever met David but I know Hueytown was a golden treasure experience to grow up there in the 1960's. I know you Dad enjoyed the atmosphere of Hueytown High and his youth . I can assure you he had many happy days living there as I did. I probably sold him some hamburgers from Sonny's across from Weldon's. We experienced the same type of life and career. I pray for his soul that he may rest in the peace of the Lord.

“ David was a fun kid growing up on Walker Avenue in Hueytown. We played football, baseball and rode our bikes together as kids. He was a good athlete. I treasure those good memories! Mike Linholm
